ABOUT THE SCHOOL

UCS Bolton is a University Technical College encompassing Key Stages 3 and 4, along with a Sixth Form provision.

Located within the University of Bolton campus, the school has an aspiration and determination to deliver exceptionally high quality technical and academic education for all students who attend.

The UCS has an outstanding £10 million facility which includes specialist workshops and laboratories in the following curricular areas;

Engineering Optometry Clinical Dentistry
Pharmaceutical Consulting Medical Simulation Robotics
Electronics 3D Printing

To accommodate growing student numbers, a new KS3 extension is at the advanced planning stage and is scheduled to open in January 2025.

Sadly, in November 2022 the school was inspected by Ofsted and was deemed inadequate in all areas.

An Interim Advisory Board was appointed and with a new approach and the appointment of a new experienced CEO, we are entering a phase of swift change to establish the school as good once again

In addition, recent intensive engagement with the staff, student and parent bodies shows they are all supportive of the school and its much needed improvement journey.

We now require a new permanent Principal for the school, to lead UCS staff and students on a journey with a clear vision and passion to ensure UCS delivers an outstanding technical education for the community it serves.

We are proud to be sponsored by the University of Bolton and the Baker Dearing Educational Trust and supported by our trusted industry and health sector partners.
